Northern Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

July 5, 1995.

Take notice that on June 30, 1995, Northern Natural Gas Company (Northern), tendered for filing, under Section 4 of the Natural Gas Act (NGA), notice of the termination of gathering and transmission services offered over facilities located in Blaine, Chateau and Hill Counties, Montana, effective September 30, 1995. Northern states that on June 6, 1995, the Commission authorized it to abandon, by sale to Havre Pipeline Company (Havre), the Montana facilities and declared that these facilities, once acquired by Havre, would be exempt from Commission regulation under Section 1(b) of the NGA (69 FERC 61,354 (1994)). Northern states it was directed to make the instant filing by the June 6, 1995 order.

Northern states that it is abandoning the facilities because, as a result of restructuring under Order No. 636, Northern no longer has a merchant function and does not require these facilities to access system supplies to fulfill customer obligations. Regarding eleven customers who received gathering service and the eleven customers who received transmission service over the Montana facilities

(listed in the filing), Northern states they will be mailed notification of termination of services, and that notice of the deletion of receipt and delivery points on the Montana facilities will be posted on Northern's Electronic Bulletin Board, at least thirty (30) days prior to the September 30, 1995 termination date. Northern states there were no protests in the abandonment proceeding; thus Northern is not required to file a default contract.

Any person desiring to be heard or to protest said filing should file a petition to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C., 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211). All such petitions or protests must be filed on or before July 12, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
